

REFERENCES IN TEXT

The civil-service laws, referred to in subsec. (d), are set forth in Title 5, Government Organization and Employees. See, particularly, section 3301 et seq. of Title 5.

CODIFICATION

In subsec. (d) of this section, “chapter 51 and subchapter III of chapter 53” substituted for “the Classification Act of 1949” on authority of Pub. L. 89-554, §7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5, Government Organization and Employees.

In the second sentence of this section, provisions that authorized the appointment of a Deputy Director and that authorized the employment of certified public accountants, qualified cost accountants, industrial engineers, appraisers, and other experts without regard to “the Classification Act of 1923”, were omitted as obsolete. Sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973, repealed the 1923 Act and all laws or parts of laws inconsistent with the 1949 Act. While section 1106(a) of the 1949 Act provided that references in other laws to the 1923 Act should be held and considered to mean the 1949 Act, it did not have the effect of continuing the exceptions contained in this sentence because of section 1106(b) which provided that the application of the 1949 Act to any position, officer, or employee shall not be affected by section 1106(a). The Classification Act of 1949 was repealed by Pub. L. 89-554, Sept. 6, 1966, §8(a), 80 Stat. 632 (of which section 1 revised and enacted Title 5 into law). Section 5102 of Title 5 contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

AMENDMENTS

1966—Subsec. (a). Pub. L. 89-554 repealed subsec. (a) which provided for the appointment, pay, and term of the Director of Contract Settlement. This office was abolished previously by Reorg. Plan No. 1 of 1947.

1949—Subsec. (d). Act Oct. 28, 1949, substituted “Classification Act of 1949” for “Classification Act of 1923”.

REPEALS

Act Oct. 28, 1949, ch. 782, cited as a credit to this section, was repealed (subject to a savings clause) by Pub. L. 89-554, Sept. 6, 1966, §8, 80 Stat. 632, 655.

(a), establishing the Office of Contract Settlement to be headed by the Director of Contract Settlement and providing for the appointment of the Director by the President with the advice and consent of the Senate with compensation of \$12,000 per year and a term of two years, was repealed, and references in the remainder of this section to “Director” were changed to “Secretary” by section 8 of Ex. TERMINATION OF ADVISORY BOARDS

Advisory boards in existence on Jan. 5, 1973, to terminate not later than the expiration of the 2-year period following Jan. 5, 1973, unless, in the case of a board established by the President or an officer of the Federal Government, such board is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a board established by the Congress, its duration is otherwise provided by law. See sections 3(2) and 14 of Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 106. Basis for settlement of termination claims

(a) Priority to private contractors

It is the policy of the Government, and it shall be the responsibility of the contracting agencies and the Administrator of General Services to provide war contractors with speedy and fair compensation for the termination of any war contract, in accordance with and subject to the provisions of this chapter, giving priority to contractors whose facilities are privately owned or privately operated. Such fair compensation for the termination of subcontracts shall be based on the same principles as compensation for the termination of prime contracts.

(b) Establishment of methods and standards

Each contracting agency shall establish methods and standards, suitable to the conditions of various war contractors, for determining fair compensation for the termination of war contracts on the basis of actual, standard, average, or estimated costs, or of a percentage of the contract price based on the estimated percentage of completion of work under the terminated contract, or on any other equitable basis, as it deems appropriate. To the extent that such methods and standards require accounting, they shall be adapted, so far as practicable, to the accounting systems used by war contractors, if consistent with recognized commercial accounting practice.

(c) Conclusiveness of settlement

Any contracting agency may settle all or any part of any termination claim under any war

contract by agreement with the war contractor, or by determination of the amount due on the claim or part thereof without such agreement, or by any combination of these methods. Where any such settlement is made by agreement, the settlement shall be final and conclusive, except (1) to the extent otherwise agreed in the settlement; (2) for fraud; (3) upon renegotiation to eliminate excessive profits under section 1191 of Appendix to title 50, unless exempt or exempted under such section; or (4) by mutual agreement before or after payment. Where any such settlement is made by determination without agreement, it shall likewise be final and conclusive, subject to the same exceptions as if made by agreement, unless the war contractor appeals or brings suit in accordance with section 113 of this title: *Provided*, That no settlement agreement hereunder involving payment to a war contractor of an amount in excess of \$50,000 (or such lesser amount as the Administrator of General Services may from time to time determine) shall become binding upon the Government until the agreement has been reviewed and approved by a settlement review board of three or more members established by the contracting agency in the bureau, division, regional or district office, or other unit of the contracting agency authorized to make such settlement, or in the event of disapproval by the settlement review board, unless approved by the head of such bureau, division, regional or district office, or other unit. Failure of the settlement review board to act upon any settlement within thirty days after its submission to the board shall operate as approval by the board. The sole function of settlement review boards shall be to determine the over-all reasonableness of proposed settlement agreements from the point of view of protecting the interests of the Government. In determining, for purposes of this subsection, whether review of any settlement agreement is required because of the amounts involved, no deduction shall be made on account of credits for property chargeable to the Government or for advance or partial payments, but amounts payable under such settlement agreement for completed articles or work at the contract price and for the discharge of the termination claims of subcontractors shall be deducted.

(d) Allowable costs

Except as hereinafter provided, the methods and standards established under subsection (b) of this section for determining fair compensation for termination claims which are not settled by agreement shall be designed to compensate the war contractor fairly for the termination of the war contract, taking into account—

(1) the direct and indirect manufacturing, selling and distribution, administrative and other costs and expenses incurred by the war contractor which are reasonably necessary for the performance of the war contract and properly allocable to the terminated portion thereof under recognized commercial accounting practices; and

(2) reasonable costs and expenses of settling termination claims of subcontractors related to the terminated portion of the war contract; and
